

Santa's Secret Workshop

It's almost that time again! This year our Santa's Secret Workshop sale will take place on Dec. 18 & 19, 2017. For any new people, the Santa sale is a fun place for the students of SNA to do Christmas shopping for their immediate family during school hours. All items for sale are between \$.50 and \$5.00 and will benefit SNA's PTO. We will also have raffle tickets for purchase on the days of the sale for a chance to win gift cards and spirit wear. Raffle tickets are \$1 or 6/\$5. If you still want to donate, please send your homemade crafts or store bought items into the school office by Dec. 15th! Also, if you would send a reusable grocery type tote bag with your child to carry their stuff home, it would make it easier for them.....Start making your list and checking it twice for what/who you would like them to buy for!!!!

Thank you! Kim Adleta
