

## St. Nicholas Academy

### **\*\*WINTER SPORTS REGISTRATION\*\***

The SNA Athletics Council is pleased to announce registration for 2018 Winter Sports is now OPEN. Registration for Winter Sports will be open thru October 5. Below is a link to the registration website - to register your child you will need to open the link, create a username and password, and then register (If you have a child played a Sport in 2017-2018 you use the same username and password created to sign them up for that)!

Remember if this is the first sport your child plays this year the original registration is **\$75**, which includes your inclusion to the 250 Club. If your child played a Fall Sport for St. Nicholas the additional registration is **\$50** per sport.

Please note the sports SNA is offering this Winter include Boys' Basketball (3-8) and Girls' Basketball (3-8). If there are not enough registrants for a given sport/level then teams will be formed by combining grades.

- **A \$15 fee will be incurred for all registrations after the deadline and does NOT guarantee a spot on a team for your child. Also, participation in a sport in previous years does NOT guarantee a spot on a roster if registration is late.**
- **Late registrants will be placed on a wait list until it is determined if there is an open spot on a team.** We will place players on teams only as long as it does not violate our maximum team size or potentially jeopardize the experience of those children registered on time.
